You may cancel your order at any time up to 14 days after delivery of the goods. To do so you must make a clear statement of your wish to cancel. That statement may be communicated by letter or email; the notice will take effect when it is posted or sent. You can use the Cancellation Form below but you do not have to; however you must include all the relevant identifying information detailed in the Cancellation Form in whatever communication you send. If you purchased the products through a Reliv distributor, you must notify the distributor of your wish to cancel the order within 14 days of the date of delivery of the goods and then return the goods to them (at your own expense) within 14 days of the date of your cancellation. You should not open or use the products: they should be in the same condition as they were delivered to you, and preferably in the original packaging. If you purchased the products directly from Reliv you should notify us of your wish to cancel the order within 14 days of the date of delivery of the goods by contacting us at Reliv Europe Limited, 21 Thornhill Road, Moons Moat North Industrial Estate, Redditch, Worcestershire, B98 9ND, and then return the goods (at your own expense), in unopened and unused condition and preferably in the original packaging, to the same address within 14 days of the date of cancellation. For further information, please refer to our Returns Policy which can be found on our website at www.reliv.co.uk. Provided that any goods which you have received under the cancelled contract have been returned in accordance with this procedure to either your distributor or to Reliv (as applicable and at your own expense) within 14 days of your notice of cancellation, you will be entitled to receive a full refund using the same means of payment as you used for your payment. The distributor/Reliv will refund you in the same form in which your payment was made. You will incur no fees for that reimbursement.

Reliv Europe Ltd. is a member of the UK Direct Selling Association and is registered in England and Wales under No. 3022070. It requires its distributors to comply with the DSA codes of practice
