WealthThruNutrition.com/Reliv-Now

It has... (Features)	Which means... (Benefits)
Reliv's exclusive LunaRich™ soy peptide...	...you've discovered the world's first supplement to contain this cutting-edge nutritional breakthrough, scientifically proven to support your immune system and promote healthy cholesterol levels and inflammatory response.
7 grams of non-GMO plant-based protein in each serving...	...you get the heart-healthy benefits of soy delivered the way nature intended.
Pycnogenol®...	...you benefit from a natural super antioxidant, proven to help fight free radical damage, improve blood circulation and lower blood glucose, among other benefits.
An optimal blend of vitamins, minerals, antioxidants and herbs (that contains no saturated fats, trans fats or artificial preservatives)...	...you receive the most effective possible nutrient levels for better health and a better quality of life.
Bioavailability...	...your body needs to be able to absorb nutrients, which is why Reliv uses only high-quality nutrients that are available for rapid absorption when dissolved in a Reliv shake. Plus, you're getting a higher percentage of the nutrients available for absorption in every Reliv shake.
Synergism...	...nutrients work together in an ideal blend that allows each to provide its full range of benefits.
Guaranteed quality ingredients...	...Sourced from the industry's top suppliers and an uncompromising quality control program ensures product purity and potency — guaranteed.
