

RLV HEMP EXTRACT + MELATONIN

Full Spectrum Hemp Extract 500 mg

Fall asleep faster and wakeup refreshed! This Full Spectrum Hemp Extract (500 mg) is formulated with 3 mg melatonin per serving. Melatonin is a naturally occurring hormone that plays a key role in sleep.

Melatonin and hemp extract work together to balance and restore the body to its natural sleep rhythm. When combined, they may help you relax and unwind so you can fall asleep faster and stay asleep longer.

- 500 mg Full Spectrum Hemp Extract - 16.67 mg active cannabinoids per serving
- 3 mg Melatonin per serving
- L-Tryptophan is an essential amino acid that promotes relaxation and sleep quality
- Unique blend of **hemp extracts, melatonin and tryptophan** to help you fall asleep faster and achieve a deeper, longer, fuller sleep
- Relaxing sweet orange flavor with hints of peppermint
- Blended with heart-healthy MCT oil
- Organically grown, non-GMO and gluten-free
- No artificial flavors or preservatives

This product should be used sublingually under the tongue. Please follow the label directions for usage.
